Dedication

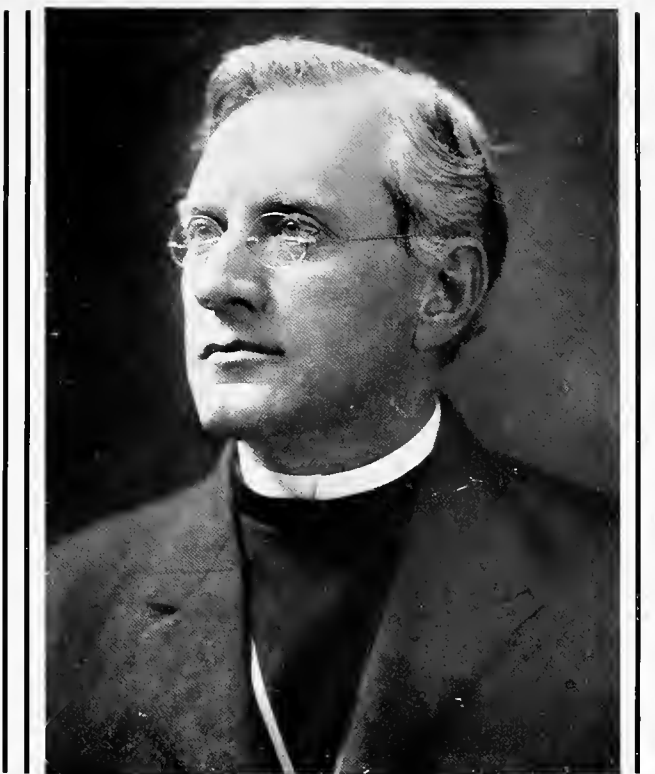

THE REV. MOULTRIE GUERRY

During the past nine years, Mr. Guerry has been closely connected with the University in the capacity of Chaplain and Professor of the English Bible. All of his work was marked by industry, understanding, and a complete devotion for the University and its students. In our sorrow at his loss, we wish him every success at his new charge, and as a slight expression of our gratitude, we dedicate this book to him.

THE READER MAY HERE MEET
THOSE MEN WHOSE OFFICE IT
IS TO GUIDE AND GOVERN OUR
STAY AT THE UNIVERSITY.

The University

THE RT. REV. THEODORE DUBOSE BRATTON, D.D.

BISHOP OF MISSISSIPPI

As a man who has been closely connected with the University throughout his entire life, Bishop Bratton is admirably fitted to hold the high position of Chancellor. His leadership during the last three crucial years has resulted in many splendid reforms which have instilled new life into the University. Bishop Bratton is a man of widespread interests and experiences and his frequent visits to the Mountain have been an inspiration to us all. As the Senior Bishop of the Province of Sewanee, he has done much to obtain the support of the Church for the University.

THE CHANCELLOR

DR. BENJAMIN FICKLIN FINNEY

In this, his last year as Vice-Chancellor, Dr. Finney has carried on the splendid work which has marked his entire career at Sewanee. Under his leadership the University has grown in size, prestige, and stability. He is leaving a well organized University to his successor after sixteen years of unceasing devotion. Dr. Finney is an integral part of the school and his interest in the students, his generosity, and his extreme vitality has endeared him to us all. Although he bids farewell to his office, we can hope that he will remain with us as a resident.

VICE-CHANCELLOR

DR. GEORGE MERRICK BAKER

*Dean of the College of Arts
and Sciences*

Dr. Baker has been Dean of the College of Arts and Sciences since the year 1920. During that time he has shown himself to be a capable executive and a true friend of every student. His classes, sense of humor, and discussions at the Union are the delight of all who know him. Dr. Baker's high regard for the arts does not diminish his interest in the students, to say nothing of his love of golf, dogs, and pipes.

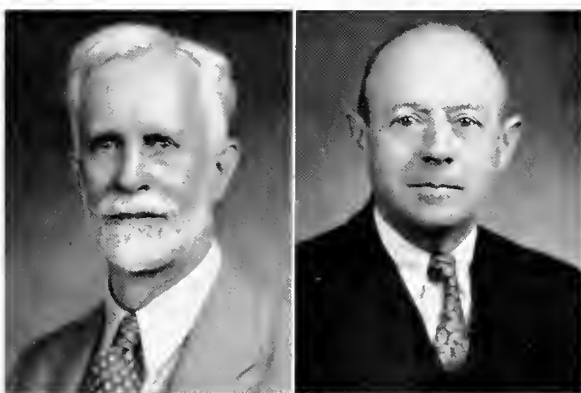

DR. CHARLES LUKE WELLS

*Dean of the Theological
School*

For the past sixteen years, Dr. Wells has served well and faithfully as Dean of the Theological School. His great learning, noble character, and profound devotion have deeply influenced the lives of all those with whom he has come in contact. This year Dr. Wells is laying down the burden of Deanship but will continue in his position as Professor of Ecclesiastical History.

• THE DEANS •

SEDLEY LYNCH WARE

B. A. (Oxon); L.L.B.; Columbia; Ph.D.,
Johns Hopkins

The Pan-Hellenic Council is composed of two representatives from each fraternity on the Mountain. This council governs the actions of the fraternities during rush week and at other times when cooperative action is needed. The officers of the council are rotated annually among the various delegations.

Omicron Delta Kappa is restricted in membership to three per cent of the student body. It brings together the leaders in the various fields of activity on the Mountain. With the exception of Phi Beta Kappa, it is the most sought honor on every college campus which has a chapter.

HONOR COUNCIL

MEMBERS

HARVEY McCLELLAN, *President* *Senior Class*

FRANK GILLESPIE *Senior Class*

ARCH BISHOP, JR. *Junior Class*

ALEX GUERRY, JR. *Junior Class*

WALKER COLEMAN *Sophomore Class*

RICHARD CORRY *Freshman Class*

LAWRENCE M. BERRY *Theological School*

A Council composed of two Seniors, two Juniors, one Sophomore, one Freshman, and one Theological student is entrusted with the judgment of all infringements of the Sewanee Honor Code. The Council is called only when there is need of it. The Honor Code applies not only in the classroom but in all activities on the Mountain, and it is signed by all students upon entering the University.

*Left to Right, First Row: Vaiden, Bolling, Cobbs.
Second Row: Ephgrave, Cotten, McClellan.*

Sopherim honors those members of the Order of Gownsmen who have displayed outstanding literary ability and encourages further literary appreciation and creative work among its members. Meetings are held monthly, at which members present papers to be criticized and discussed by the rest of the society.

THE GERMAN CLUB

University Dance Organization

OFFICERS

WILLIAM N. WILKERSON	<i>President</i>
ARCH BISHOP, JR.	<i>Vice-President</i>
THEODORE STONEY	<i>Secretary-Treasurer</i>
H. A. GRISWOLD	<i>Faculty Advisor</i>

The German Club, one of the most successful organizations on the Mountain, sponsors all of the University dances and is chiefly responsible for making Sewanee dances famous over the entire South. In October the Club gave a Saturday night football dance which featured the music of Earl Mellen and his orchestra. It was by far the best week-end dance ever given on the Mountain. The Thanksgiving dances saw the return of Dick Jurgens and the two-day set was really enjoyed by all. Then in February, Will Osborne played for the two tea dances and two night dances which constitute the Mid-Winter's. Using over ten thousand cotton balls, the German Club decorated the gym in black and white, creating the effect of a snowstorm. As we go to press, plans are in progress for a large set of Easter dances to be held in April and also for the usual Commencement set.

The Sewanee Purple is the student newspaper and is published twenty-five times during the school year. Under the editorship of Billy Wilkerson, the editorial page has been raised to the position of prominence which it should maintain. Sports Editor Kuehnle has covered Sewanee sports faithfully and well throughout the entire year and the remainder of the staff has done much to uphold the Purple's reputation.

The 1938 CAP AND GOWN represents many hours of toil by a student staff that has constantly put forth its best efforts to give you an annual which presents an accurate picture of the school year. This year, more than any other one thing, it endeavors to follow the trend of modern journalism in giving you as many illustrations as possible. The staff has omitted superfluous features which have appeared in former annuals in an attempt to present a clear, concise, and interesting picture of the past two semesters. Lastly, the CAP AND GOWN aspires to be one of personalities rather than of inanimate objects and this theme has been carried out especially in its snapshot section.

The Purple Masque was reorganized this year after having lain dormant for several years. They successfully presented "The Bishop Misbehaves" on March 7, 1938. Membership to this society is gained by displaying interest and taking part in dramatics. Alpha Psi Omega, National Honorary Dramatic Society, draws its membership from the Purple Masque. Only those who have taken part in a number of plays or who have written and presented a play are eligible to this society. Mr. Griswold and Major MacKellar are advisors for both groups.

The Debate Council is composed of all men who have taken part in the intercollegiate debates of the University. The Council not only takes part in debates but also acts as host to all visiting debate teams. Among the colleges debated this year were: Spring Hill, George Washington, Maryland, Virginia, North Carolina, Drake, and Tennessee.

PARTICIPATE IN THEM.

THE COACHING STAFF

Coach "Hec" Clark, since his installation as head coach in 1931, has consistently turned out Sewanee teams whose play has been marked by courage, fight, and spirit. Coach Clark is remembered as one of the best players ever to wear a Purple uniform and recently his Alma Mater expressed their faith in him by renewing his contract for three more years.

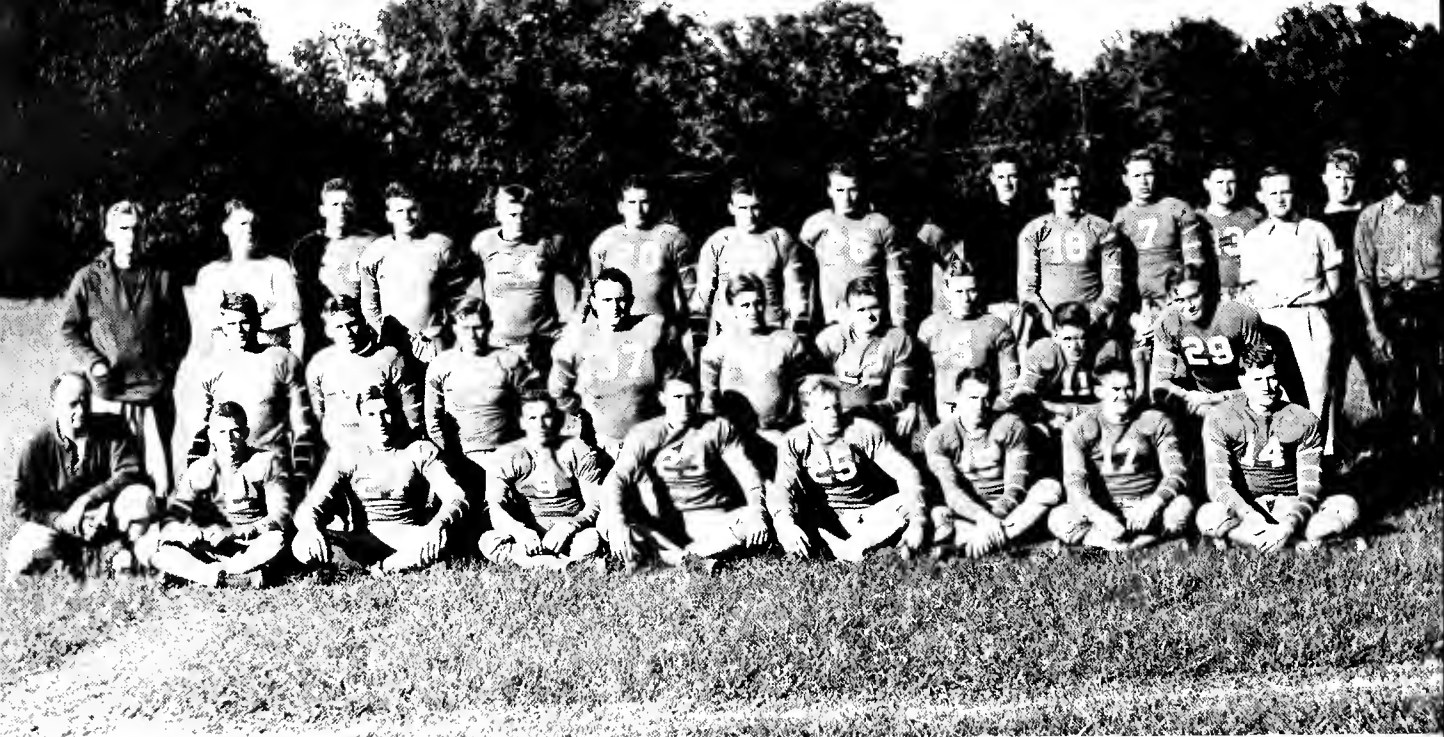

Coach Allen Lincoln hails from Missouri but has been with the Tigers since 1931. He is head basketball coach and yet finds time to assist coaching football and direct track practice.

Gordon Clark, another Sewanee alumnus, has served as graduate manager of athletics for several years and also coaches freshman football.

Joel Eaves was one of the South's outstanding athletes last year at Auburn. This year he joined the Tiger's coaching staff in the capacity of assistant football coach and freshman basketball coach.

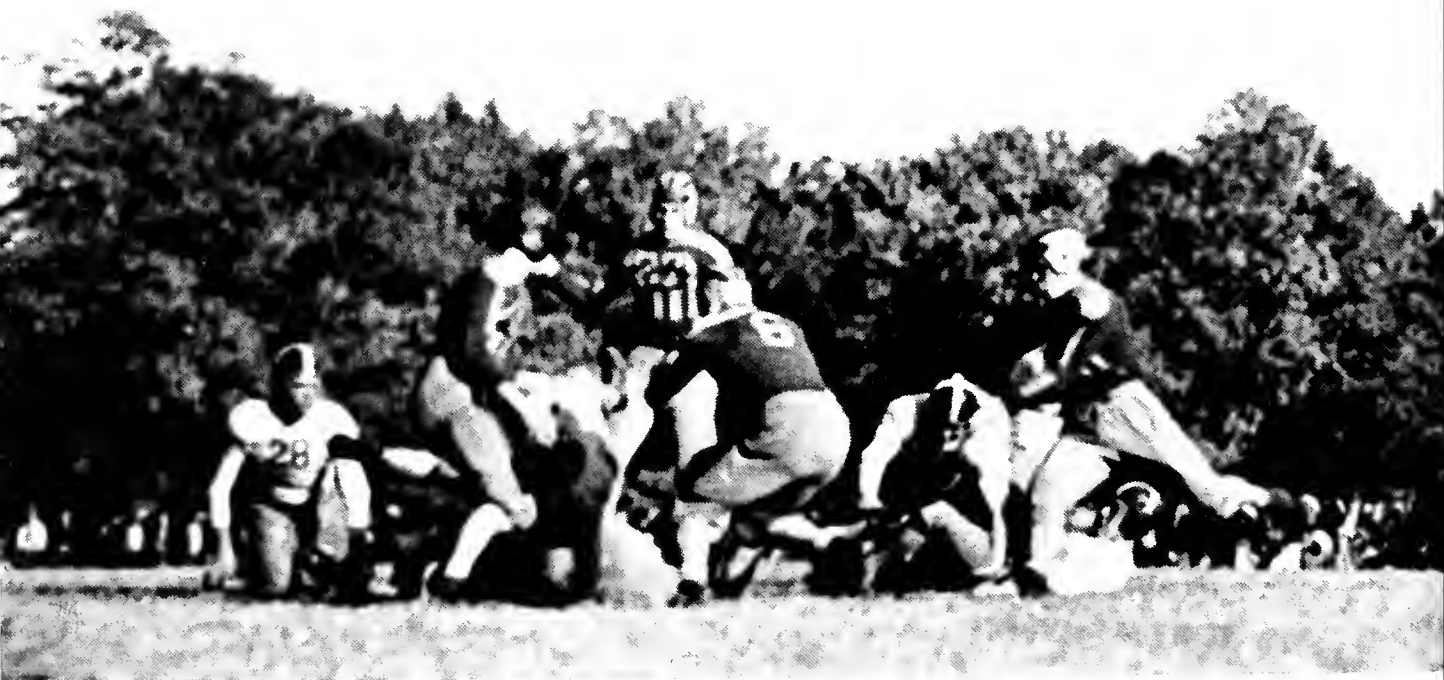

Laurie Thompson assists in coaching the freshman and varsity in football. He was one of the best guards ever to play at Sewanee.

1937 SQUAD

FOOTBALL AT SEWANEE

THE SEASON

When the Sewanee football team took the field against Hiwassee on September 25, the ardent fans and supporters expected great things of it; there was magic in that term, scholarship player. And after the Tigers had swamped the lighter Hiwassee team, it seemed that even the highest hopes were justified. But after Alabama pricked the bubble, the spirit of the team and the student body descended to a level comparable with that of last year. It was only after a vastly inferior Tennessee Tech eleven defeated the Purples that interest was revived. From that day until the end of the season, the Tigers were a new team. Their play against Vanderbilt, Mississippi State and Tulane was all that could be desired short of victories. At the end of the season, the consensus of opinion was that, no matter how trite the phrase, "Rome wasn't built in a day," is very true.

DEXTER STANPHILL
Captain of 1937 Sewanee Football Team

During the two years that Dexter Stanphill has played on Sewanee teams, he has made quite a name for himself in Southern inter-collegiate athletics. Last season he gained nation-wide fame by scooping up a fumble in the Florida game and running 101 yards for a touchdown. This was the longest run of this type for the year. This season he was one of the mainstays in the Tiger backfield and starred especially in the Vandy game. Stanphill is an all-around athlete and is also on the basketball and track teams. He accounted for 61 points on the basketball court this season and broad jumps and runs the 440 on the track squad.

RESUME OF THE SEASON

The 1937 football season was not the best that Sewanee has had but it was a great improvement over last year's record. Starting at the heights, descending to the depths and then rising almost to the heights again, the Tigers had their ups and downs; but at the end of the season they were a much wiser and more experienced team. And while the record is not imposing, in view of the fact that the majority of the players were green Sophomores, the season can justifiably be written off to experience and forgotten.

Opening the season with Hiwassee, the Tigers performed much more expertly than was expected as they crushed their smaller opponents, 40 to 0. Whittington and Cochrane were outstanding for Sewanee with Quillen leading for the losers.

Unfortunately, the Purples ran into Alabama's Rose Bowl bound Elephants for their first try at Southeastern Conference meat. Scoring 28 first downs to Sewanee's 1, Frank Thomas' team romped to a 65 to 0 victory. Undismayed, the Tigers returned to the Mountain to defeat Tennessee Wesleyan, National Junior College champions, 25 to 0. Smith and Lasater led "Hec" Clark's boys in revenging last year's defeat by the Bulldogs.

In their second Conference engagement, the Mountaineers were dumped by a vastly improved Florida Gator. The game was never "on ice" but the continued pressure of the Florida power was too much for the Tigers.

Manning, Gator quarterback, was the star of the game as he led his team to the 21 to 0 victory.

For the next two games the Tigers were in the throes of a let-down and were badly off form. The 32 to 0 defeat by Tennessee was not startling but the 9 to 6 defeat at the hands of Tennessee Tech was like a dash of cold water on the Tigers' slumbering spirits.

At Nashville, they were up against a superior team but they were dangerous at all times. Captain Stanphill broke away for a 70-yard run and in every department of the game, Tiger play was much improved over the early part of the season. The Purples were inside the shadow of the Vandy goal five times and scored 13 first downs, more than any team had scored against the Commodores all season. Score: 41 to 0.

The Tigers lost their fifth conference game to the Maroons of Mississippi State on November 13. Led by fullback Steadman, the Bulldogs drove deep into Sewanee territory

in the first and second quarters for their only two tallies of the day. Both of the extra points were blocked by the hard-charging Tiger linemen. Throughout the rest of the game the Purples played bang-up defensive ball, repelling five of the Maroon scoring attempts, one from the four-yard line. In comparison with last year's 68 to 0 score, the 12-point victory was a mighty slim one and indicates the tremendous improvement of the team.

In the final game of the season against the Tulane Greenies at New Orleans, the Tigers turned in their best performance of the year. During the first half the fighting Sewanee squad took everything that Tulane's first two teams could dish out and came back for more. Playing heads up ball, the Tigers recovered a fumble on the Tulane 15-yard line and on the next play went around end for the score. Lasater kicked the extra point and the score stood at the end of the half, 7 to 0 for Sewanee. In the second half the Green Wave came back with a revitalized

RESUME OF SEASON

squad to roll up 33 points on the weary Tigers. Banker, Mattis and Andrews starred for Tulane, while Cochrane, Frasier, Newton, and Schuessler led the Tigers. The *Times-Picayune* said of Sewanee: "The lack of reserves told on the visitors. Tulane, on the other hand, made good use of nearly all of her fast and hard-driving backs and simply overpowered a plucky bunch of warriors who gave a fine account of themselves, regardless of the score. They upheld the reputation of all Sewanee teams who have come here in other years."

Although the 1937 season was not a success in itself, it did produce some results which will be very definite contributions to the '38 and succeeding seasons. The first part of the season did not show any particular improvements. It was spent in breaking in the Freshmen to "big time" football. The mixture of victories and defeats was merely the usual erratic showing that comes with such

a great change. But the last three games, all of which Sewanee lost, did show definite improvements. Against the powerful Vanderbilt team, the Tigers developed an offense that gained more ground than any offense the Commodores had encountered in their previous games. In the Mississippi State battle, the Purples showed an iron-clad defense that made no less than five goal line stands against the touchdown-hungry Maroons. Then, to climax the season, the Clarkmen used a mixture of both to lead the Tulane Greenies 7 to 0 at the half. So, with almost the same team returning next year, Sewanee can look forward not only to a better season but to one in which they will win at least one conference game.

The men who received letters were: Houston Crozier, Ralph Phillips, James Lasater, James Newton, Sugg Keiser, M. F. Jackson, Dexter Stanphill, William Cochrane, Preston Fowlkes, Stanley Laws, Frank Gillespie, John Holmes, Morgan Hall, Jack Whitley, Walter Higgins, Joe Frasier, Carl Schuessler, and Manager Bert Ephgrave.

Last season, for the first time, the Sewanee Freshman team played three games instead of the usual two. In the past it has been the custom to play one Junior college game and the regular Vanderbilt engagement. But with the scholarship system, the extra game was introduced.

On October 22, the Baby Tigers swung into action against Middle Tennessee State Teacher's Freshmen at Hardee Field. Showing surprising power and timing for an opening game, the Little Purples knocked at the Raiders' goal several times in the first few minutes but were unable to score until the second quarter. This score came on a beautiful 40-yard pass from McCloud to Williams who crossed standing up. At the beginning of the second half, the Raiders opened what was to prove their only touchdown drive. After a series of short passes that put them in scoring distance, the Baby Teach-

ers completed a long one to tie the score. On the next kickoff, the Tigers turned on the power, ran over another touchdown and were never afterwards in danger. Final score: Sewanee, 19; Teachers, 6.

The next week the T.P.I. Frosh climbed the Mountain to have their shot at the Baby Tigers. But by this time the Purples were hitting their stride and they snowed the visitors under, 27 to 0.

As the climax to the season the Baby Purples took on the powerful Vandy eleven on Hardee Field. The story of that game lay in the 200-pound Commodore line and the 180-pound backfield. Putting up a game but hopeless fight, the Sewanee Frosh lost, 45 to 7.

Although the Frosh lost the traditional game, they won the other two and so by all counts had a very successful season.

FRESHMAN FOOTBALL

V A R S I T Y B A S K E T B A L L

From a standpoint of games won and lost, the Varsity season was far from a success. But it was such an improvement over former seasons that the outlook for the future is exceedingly bright. Difficulties were encountered during the season; three of the team's best men were lost through ineligibility and other reasons, but the spirit and type of play shown by the squad as a whole is something that has been lacking on Sewanee's court in other years. Only three games were won, two of them over Southeastern Conference foes. Florida and Vanderbilt were defeated in the conference, while Chattanooga felt the Tiger's claws in a non-conference game. Many contests were lost but the Purples were never disgraced and the majority of games were lost by small margins. Beginning the season, Coach Allen Lincoln's charges took on Chattanooga in a revival of athletic relations with the nearby school. The game was close throughout but the Moccasins pulled away in the closing minutes to win, 43 to 36. Auburn was next encountered in the Tigers' 1938 conference debut but the

Plainsmen took two straight victories from the Purples on succeeding nights. The first game was close with the lead shifting several times but Auburn got the best of the Tigers in the last half and won, 36 to 31. Auburn took the next game easily, 38 to 19. Then came the biggest surprise of the season. A discouraged bunch of boys had journeyed to Nashville to play their traditional rivals, the Vanderbilt Commodores. At the half matters were even worse for they were trailing by the terrific score of 24 to 5. Vandy inserted their second team and the Tigers saw their chance. New hope was instilled in them and they began hitting the basket from every possible angle. Before the Commodores could get their first team back in the game, the score was almost even, but in spite of the substitution, the Tigers kept on hitting and won the game, 32 to 28. It was the first major victory over Vandy in several years and the Mountain went wild. The next day the weary but happy Sewanee team crossed the state and played Tennessee only to lose, 39 to 20. Southwestern

The Chattanooga game which the Tigers won 34 to 16.
Hagler shoots as Keiser prepares for the rebound.

was the next team to come to the Tiger's lair and the resulting contest was the best seen on the Mountain this year. The game was close throughout the first half with the Tigers leading, 17 to 14, at the intermission. Sewanee continued to lead until the closing minutes when Smith, Lynx forward, hit two baskets from the middle of the floor to win the game, 35 to 33. Sewanee was next host to Georgia but lost to the Bulldogs, 24 to 16, in a game which was raggedly played by both sides. The Tiger's next game was with T.P.I. and a splendid game resulted. Again Sewanee led at the half but the Tech players kept hitting the basket in the second half to tie the game up, 25 to 25. An overtime was played in which Tech made three field goals, two of them by Wilkinson, while the Tigers were only able to score two fouls and a field goal. Final score: 31 to 29.

After a layoff for exams, Sewanee took a lengthy trip throughout the South with rather

disastrous results. Two return games with Auburn resulted in two more losses. The first was lost 40 to 33, while the second saw the Tigers go down 39 to 36. A return contest with Georgia was even worse for the Bulldogs doubled the score to win, 46 to 22. The last team to be met on this trip was Georgia Tech, and again the Tigers went down in defeat. This time the score was 41 to 31. In one of the wildest games of the season, the Purples defeated Florida after an overtime period by a 33 to 31 score. The Gators were leading 11 to 10 at the half but the Tigers pulled up to tie the count at 29 all as the final whistle blew. It was Morrell who tied the game up with a long field goal and he and Stanphill both hit goals in the overtime to win the contest, 33 to 31. Stretching their winning streak to two in a row, the Sewanee team went to Chattanooga and revenged an earlier defeat by taking the game, 34 to 16. Captain Keiser scored 15 points to lead the Tigers, and there was never a doubt as to the outcome of the

game. Next the Purples took a trip to Southwestern in an endeavor to avenge that close game on the Mountain. But again they ran into the same Mr. Smith who had won the other contest. He lead his teammates with 18 points and Southwestern won the game, 48 to 38. Returning to the Mountain, Sewanee took on Tennessee and lost a close game, 37 to 33. The Vols led all the way but the Tigers were a constant threat. Closing the season, Sewanee

lost a return game with Vanderbilt, 41 to 35. High point man for the season was LaVerne Spake with 140 points. He was closely followed by Captain Sugg Keiser with 110; Dexter Stanphill with 61; Arthur Whittington with 55, and Bill Morrell with 33.

Letters were awarded Spake, Whittington, Morrell, Keiser, Stanphill, Colston, Hagler, and Manager Magruder.

CAPTAIN SUGG KEISER

In his two years at Sewanee, Sugg Keiser has won the admiration of all by his outstanding work in athletics as well as in the class room. He is first string end on the football team, center on the basketball team, and high jumps and broad jumps for the track squad. Yet he finds time to turn in very creditable grades. Sugg scored 110 points this year against the Tigers' cage opponents and boosted his two-year total to over 200 points.

At the beginning of the season a green group of Freshman material reported to Coach Joel Eave's direction and the Baby Tigers started immediately and lost their first seven starts, but then the team began to develop under Eave's direction and the Baby Tigers started to win games. Climaxing the season, they defeated the Vandy Frosh in one of the best games seen on the Mountain this year. The Freshmen's record was eight games won, nine lost.

Beginning the season on January 8th, the Frosh lost to the Chattanooga first year men, 36 to 47, and this defeat was closely followed by two more losses to Chattanooga Central High and Columbia Military Academy. Next the Frosh journeyed to Nashville where they played well but were defeated by the Vandy yearlings by a 49 to 34 score. Crossing the state, they encountered the Tennessee Frosh and were swamped, 38 to 19. Returning to the Mountain, the Baby Tigers were defeated, 24 to 20, by Scottsboro High, Alabama State Champions.

This was followed by a loss to Castle Heights. Then the Freshman began to win games. In a game in which Currie scored 28 points, the Purples defeated Tullahoma, 51 to 30. Next, Morgan was downed, 41 to 35, and the following night the T.P.I. Frosh were defeated, 30 to 21. Continuing their winning streak, the Frosh took two more games from Baylor and from Central High. Their winning streak was cut short when they went to Chattanooga only to be defeated by the Chattanooga Frosh, 42 to 34. This loss was followed by another win which was garnered from Notre Dame who were downed, 47 to 28. Tennessee took a return game from the Frosh but the Baby Tigers came back to win over McCallie, 37 to 31. Closing the season, the Frosh took an exciting game from the Vandy yearlings by a 36 to 34 score.

Currie was high point man of the season with 216 points to his credit. He was followed by Bodfish with 116; Julian with 97; Mason with 28; Crumbaker with 26, and Williams with 24.

FRESHMAN BASKETBALL

TRACK

Under the direction of Coach Allen Lincoln, track practice began on the 25th of March, but as we go to press no meets have been held. Good material is scarce because of the heavy losses incurred by graduation but the returning members of last year's squad and some sophomore talent should help to give the Tigers a fair track season.

Last year's squad members who are returning are: Cochrane (dashes, pole vault, and hurdles); Schuessler (mile and two mile); C. Brown (880 and relay); Stanphill (440 and broad jump); Gillespie (dashes and hurdles), and Keiser (broad and high jump).

Meets have been scheduled with Vanderbilt, Southwestern, T.P.I., and Chattanooga.

Top—right to left:

C. Brown to W. Brown, relay
Sugg Keiser broad jumps
Mike Cochrane takes the low hurdles.
Keiser clearing the high jump
Cochrane going over the pole vault standard

TENNIS Although no meets have been held at the time we go to press, the tennis prospects for the coming season are exceptionally bright. Naturally the loss of Hugh Shelton, ranking Southern star who graduated last June, is a blow to the team but several capable men are left with which Dr. Bruton hopes to mold a fine squad. The team has been practicing since March and present indications are most promising.

The nucleus of the team will be the returning lettermen from last year who aided in giving Sewanee so successful a season in 1937. They are: Alex Guerry, Jr., Chattanooga City Champion and T.I.A.A. finalist; Ruddy Cravens, who played in number three position last year, and Sam Brown, who saw service as number five a year ago. Other candidates are Kuehnle, last year's frosh star, Colstun, Morrel, Jourdan, and Edson. Colstun and Morrel played at Hiwassee last year and should be valuable additions to the team.

A large schedule has been compiled consisting of the following teams: Wayne University, Tennessee, Vanderbilt, Southwestern, Georgia Tech, Mississippi State, Emory, Birmingham-Southern, Georgia, Chattanooga, Augustana, Alabama, and Mississippi College. The team will also participate in the T.I.A.A. and Southeastern Conference tournament.

RUDDY CRAVENS

ALEX GUERRY

INTRAMURALS As the CAP AND GOWN goes to press, the intramural program of the University is not yet fully under way. Volleyball has already been completed with the Kappa Sigs walking away with the title. The basketball race is in its last stages with the Sigma Nu's and S.A.E.'s, traditional athletic rivals, in the finals.

VOLLEYBALL

Opening the season, the Kappa Sig's breezed through the entire schedule without suffering a loss. They were closely followed by the Phi Delt's, who nosed out the Sigma Nu's, last year's champions, for second place. The season was well played and created a great deal of interest among the student body.

BASKETBALL

In a basketball season which has been completed as far as the schedule is concerned, the Sigma Nu's and S.A.E.'s emerge with one loss apiece and must play an additional game to decide the championship. The Sigma Nu's were defeated only once by the Phi Delt's in one of the biggest upsets in recent years. They retaliated by licking the S.A.E. team in the final game of the season and the two must now have a play-off. The Phi Delt's and Kappa Sig's are tied for third place and must also play an additional game.

OTHER SPORTS

As yet no handball matches have been played, although several teams are practicing in the gymnasium. Present indications point to the Sig Alph's and Phi Delt's last year's winner and runner-up, to be the favorites this season.

The schedule for track, tennis, golf, swimming, and baseball are yet to be made up, but the competition should be keen as a number of the fraternities have some excellent talent in their midst. As a result, it is difficult to predict any of the results; however, the race for the cup appears to be between the S.A.E.'s, the Sigma Nu's, and the Kappa Sig's with the Phi Delt's given an outside chance.

Last year the Sigma Nu's easily won the cup by taking the basketball, volleyball, baseball titles and getting a second in the track meet which was won by the Phi Delta Theta's.

Appreciation

The last page of the CAP AND GOWN is completed, but before this issue goes to the printer, we wish to express our appreciation to those without whose aid this publication would have been impossible.

Particularly, we wish to thank the members of our staff for their unfailing cooperation in producing this book.

We wish to thank the faculty and administration who have aided in giving us their encouragement and advice.

We wish also to thank Mr. Harrold Rae Flintoff and Mr. Gordon Clark whose help was invaluable in the obtaining of pictures for this annual.

To Mr. John Benson, of the Benson Printing Co.; Mr. Charles T. Hoy, of the Repro Engraving Co., and Mr. Samuel M. Judd, of the Judd Studios, we give our thanks for their efforts in making this book possible.

And to everyone else who has aided us in this venture, we give our sincerest thanks.

In conclusion, we hope that the enjoyment derived from this edition of the CAP AND GOWN will be great and that its readers will find it a pleasant reminder of the school year.

HENDREE B. MILWARD, *Editor*;

JAMES E. SAVOY, *Business Manager*.

The University of the South

What Sewanee Stands For . . .

The Education of the Whole Man—

His body, in a physical environment and training almost ideal.

His mind, through courses in a scientifically correct curriculum, and through contact with a faculty strong in scholarship and personality.

His character, through the constant influence of Christianity as expounded and exemplified in the life of the University community.

The Making of a Citizen—

In theory, through the influence of that ideal of patriotism which we call the Sewanee Spirit.

In practice, through the dynamic living as a citizen in a community of which the student body constitutes the citizenship.

Individuality, Originality, Initiative.

Taught to think independently, plan independently, but to act as a community member.

Lord Jeffrey

In the olden days, wood engravings placed nobility in the foreground.

Today the Annual Department of The Repro Engraving Co. makes possible the attractive pictorial message throughout this book.
